

POSITION DESCRIPTION

CONFLUENCE AMERICORPS PROGRAM

The Confluence AmeriCorps Program advances environmental equity through innovative partnerships with local organizations in the Portland metropolitan area. We offer life changing service opportunities that engage Members at the intersection of environmentalism and social justice while promoting individual leadership and development. This position is a dynamic combination of serving with a Project Partner on a dedicated project (80%) and engaging in professional and leadership development opportunities, alongside a Member cohort (20%). www.confluencecenter.org

EQUITY & INCLUSION

Confluence does not discriminate against any person or group on the basis of race, age, creed, color, religion, national origin or ancestry, gender identity, ability, sexual orientation, expression, pregnancy, parents/guardians with children, or veteran status. Confluence is committed to a diverse workplace, and to supporting our Members and staff with ongoing equity trainings and career development opportunities. Confluence, like many environmental programs, is a predominantly white space, and in an effort to decolonize dominant structures of oppression, we encourage people of color to apply.

Confluence provides reasonable accommodations to applicants and employees. Applicants with disabilities may request a reasonable accommodation and/or alternative formats at any point in the employment process.

DATES OF SERVICE

September 7, 2022 – July 28, 2023 (11 months – 1700 hours)

POSITION TITLE

Outreach and Riparian Specialist

PROJECT PARTNER

Johnson Creek Watershed Council; www.jcwc.org

POSITION SUMMARY

This position is a partnership between Confluence Environmental Center, AmeriCorps Program and the Johnson Creek Watershed Council. The Outreach & Riparian Specialist will build on the successes of previous AmeriCorps Members in the following ways:

- Restoration Projects (25%):
 - Design, implement, and maintain riparian restoration projects along Johnson Creek and tributaries under the supervision of the JCWC Riparian Program Manager.
 - Conduct creekside landowner outreach and recruitment for restoration work.
 - Support workforce development and volunteer training efforts.
- Outreach Projects (50%):
 - Initiate and lead educational activities with school groups.
 - Support coordination of volunteer restoration events.
 - Build partnerships with culturally-specific organizations and untapped community groups.
 - Create and distribute outreach materials for upcoming events.
 - Facilitate volunteer recruitment, communication, and volunteer database tracking.

- Recruit cohorts of watershed interns.
- Community Science (5%):
 - Support wildlife survey projects and help plan and host educational community events.

The Member will participate in Confluence led leadership development activities which include: Leadership Development Training Series, completing a Change Agent Project (CAP), team meetings, National Service events and other self-directed development opportunities (20%).

ESSENTIAL FUNCTIONS (to include, but not limited to):

- Serve with the JCWC Volunteer Program Manager to plan, recruit for, and coordinate volunteer events at sites identified for volunteer stewardship.
